

# ADM Canola Offer Management

Manage your canola marketing on *your* schedule.

Make canola offers online to take control of your canola marketing 24-hours a day.

### Background

ADM Offer Management is an online tool that gives you the ability to manage your canola marketing any time of day, with increased efficiency and control. Make and manage canola offers when it works for you from your computer, tablet or smartphone.

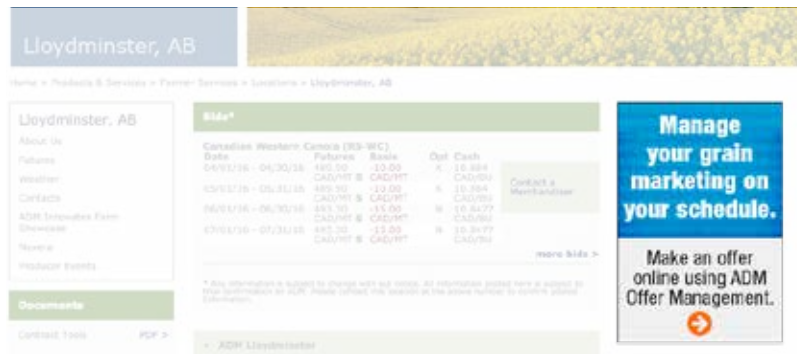

### The Benefits

- > Allows you the flexibility to manage your canola marketing at any time with increased control and efficiency.
- > Gives you access to current and past offers, as well as canola bids for your area.
- > A mobile app option makes it easy for you to access your offers, no matter where you are.

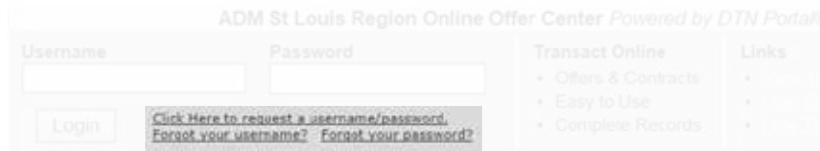

### Enroll

To access the ADM Offer Management portal, follow these steps:

- 1) Go to [ADM.com/lloydminster](http://ADM.com/lloydminster) and click on the link to the ADM Offer Management portal.

- 2) If you don't have an account, click on the link to request a username/password.

- 3) Complete the form and submit it.
