

ADM Offer Management

Manage your grain marketing on *your* schedule.

Make grain offers online to take control of your grain marketing 24-hours a day.

Background

ADM Offer Management is an online tool that gives you the ability to manage your grain marketing any time of day, with increased efficiency and control. Make and manage grain offers when it works for you from your computer, tablet or smartphone.

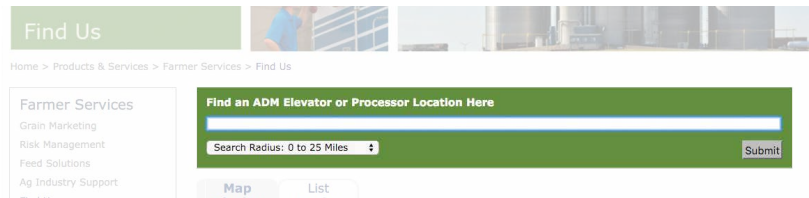

The Benefits

- > Allows you the flexibility to manage your grain marketing at any time with increased control and efficiency.
- > Gives you access to current and past offers, as well as grain bids for your area.
- > A mobile app option makes it easy for you to access your offers, no matter where you are.

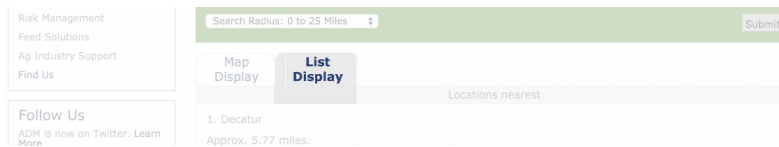

Enroll

To access the ADM Offer Management portal, follow these steps:

- 1) Go to adm.com/locations and enter your zip code.

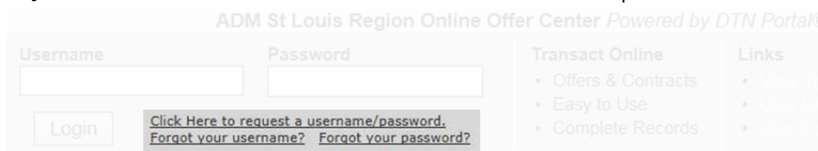

- 2) Click on the "List Display" tab if there are multiple locations in your area.

- 3) Select your preferred location.
- 4) Click on the link to the ADM Offer Management portal.

- 5) If you don't have an account, click on the link to request a username/password.

- 6) Complete the form and submit it.
