

# Are you ready for another harvest?

## All of us at ADM appreciate your business and the hard work you continue to do.

To ensure a seamless, successful fall harvest, please take the time to let us know of any changes or updates to your ADM account(s). For example:

- ✓ **Do you want to get paid faster this harvest?**  
Get quick access to your grain sales by enrolling in ADM Direct Deposit for a faster, more secure payment.
  - No need to wait for your check
  - No need to take your check to the bank
  - No chance of your check getting lost in the mail
  - If you want, no need to wait for your settlements either
- ✓ **Do you have specific payment instructions?**  
(defer pay to Jan 1, etc.)
- ✓ **Do you want to sign your contracts online?**  
Get your contracts sent directly to your email to sign with a click of a button.
- ✓ **Do you have any changes to your account?**  
(new vendor, address change, update landlord(s), farm split percentages, etc.)
- ✓ **Manage your ADM account with our new apps and websites – ADM FarmView™ and FBN®**  
(choose one or both) Both apps provide futures, cash bids, grain contracts, scale tickets, settlements, and more. To decide which app is best for you, we have added a comparison chart at [ADMadvantage.com/account-access](https://ADMadvantage.com/account-access).

- ✓ **Plan your time wisely to ensure faster turn times.**
  - ✓ Are you signed up to receive text and email alerts about elevator harvest hours? Text SIGNUP to 23811.
  - ✓ Check the truck wait time with ADM Wait Time app (locations vary). Download the app on the App Store or get it on Google Play.
- ✓ **Ask us about an ADM swipe card.**  
Move faster through the dump process by checking in with an approved card that registers your bushels in our system to your account (locations vary).
- ✓ **Ask us about ADM re:generations™.**  
Want a premium on bushels hauled? ADM has programs to support farm legacies and consumer demand. If you are growing cover crops, adopting no-till wheat, or interested in a **PREMIUM** on corn and/or beans hauled, reach out (locations vary)!

Please contact us today if you have any questions or want to verify your information. Our ADM team has the knowledge, guidance, and variety of tools to help improve your operation's profitability.

**Thank you for choosing ADM!**  
**We wish you a safe harvest season for 2024!**
